Day trip to Beverley 18 August

Organised by Joy 8 ladies and 2 from Filey Lions enjoyed a day in Beverley.

Left to right – Irene, Sue, Margaret C, Lions Driver, Ruth, Gill, Mave, Kathleen and Joy.

Whether you like retail therapy, eating or sightseeing a great day for everyone. Plenty to see.

We welcome all our new residents and hope you are happy in your new apartment. A lot of us have come from large 4 or more bedroomed houses with large gardens and have moved because of needing to downsize or change of circumstances. Filey is a small town, busy at the moment with visitors but it will quieten down shortly when children are back at school.

We hope you have been able to take advantage of the wonderful weather in August, perhaps a little too hot on some days but certainly no reason to go abroad for sunshine. It's good to see all the visitors come because the traders in the town need plenty of business after two years of lockdown and uncertainty. On our daily walks the beach has been full of families enjoying the sun, sea and sand and quite some magnificent sand castles with moats. The gulls have really appreciated all the fish and chips and people still feed them. I suppose if you come to the coast the gulls are a novelty and quite entertaining but for us 'locals' we know that Pesty Seagull is a pain.

SALES – Daniel says “my last day seems to be Saturday 10th September.

We are back to one left available plot 10 two bedrooms ground floor west facing. (my office) The office conversion has been suggested 13th September. So we do apologise for any inconvenience. The contractors think the works will take 2-3 weeks.

We are still promoting recommend a friend £5,000 for any referral that goes on to reserve and complete by the end of October”.

Everybody welcome to come and join in with this Chinese game playing anti clockwise and building walls with tiles. Its fun though! Thank you for Peter, Chris, Guy and Jane for the tuition. TRACKROD RALLY

We have received a courtesy letter from the Trackrod Rally Public Relations, it says:

“Dear Resident

As a courtesy, the organisers of this year’s “Trackrod Rally Yorkshire” special stages motor car rally would like to advise you of additional vehicular traffic travelling back and forth along Church Cliff Drive on Friday 23 September and Saturday 24 September between the roundabout on Scarborough Road and Filey Brigg Country Park.

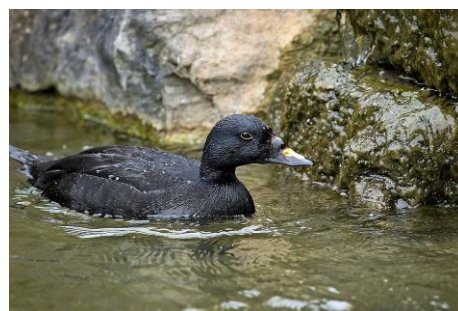

Church Cliff Drive is not part of the timed rally route, but competitors and organising officials will be accessing/leaving the Country Park during much of Friday. Competitor’s cars will be arriving for eligibility checks, before proceeding to the official start along The Beach on the Friday evening. Competitors will revisit the Country Park on Saturday lunchtime for vehicle servicing before leaving to complete the final 2 competitive special stages in the North Yorkshire forests. The rally will finish along The Beach on Saturday afternoon and into the early evening.

The organisers thank you for your understanding

Yours faithfully

Alan Hill (Deputy Clerk of the Course)”
